Knutsford & District Motor Club Limited
Knutsford Jubilee Autosolo and PCA – Sunday 20th October 2024

reserve the right to amalgamate classes. Entries will be selected in order of receipt. A car may be driven up to two times by different drivers but a driver may only drive one car. The entry will be divided into four groups. At any one time while one group is competing another will be marshalling.

All timekeepers and marshals are judges of fact for cone, line and direction faults and their decision will be final. A list will be available at the event. We will follow the previous practice whereby competitors will marshal on tests. In addition, timekeepers will be responsible for timing competitors, recording competitors times and penalties. Details will be given out in the official instructions.

15) Results will be available at the event and awards presented at the end of the event.

16) Any protests must be lodged in accordance with Motorsport UK regulation C5 and C6.

17) Competitors will be identified by 2 competitor numbers (for each rear quarter window or similar location).

18) Marking and penalties will be as the Motorsport UK regulation M9.4 and summarised as follows:

Time taken completing the course – Actual Time taken

Striking a cone or barrier defined on the diagram – 5 seconds per offence

Taking an incorrect route on any course – Maximum time

(however, returning a short distance to the point of departure from the correct route and then completing the course correctly will not be penalised except as below)

Completing the course in a time exceeding the maximum time - Maximum Time

Not stopping on deployment of the STOP signal – Maximum Time

Maximum Time

The maximum time is the quickest time in class for that run plus 20 seconds.

There will be 6 tests laid out throughout the day. It is planned to run the event in three groups of tests using the same layouts all day. There should be a minimum of two runs in each group.

19) All times will count. In the event of a tie the fastest run on the first course will determine the tie, then the fastest on the second course, etc. until the tie is decided. To be classed as a finisher, a competitor must start a minimum of half the tests.

20) The starting signal will be “in your own time”

Timing will be by smartphone using the Sapphire Solutions timing system to the previous tenth of a second.

Timing will start when the leading wheel cross the timing line and stops when the leading wheel cross the finish line. Competitors must stop before the baulk line.

21) The STOP signal, in the form of a red flag, will be displayed because of an obstruction on the course, whether this is an object or personnel. If the red flag is shown you must come to a complete stop where you are and await further instructions from the

Knutsford & District Motor Club Limited
Knutsford Jubilee Autosolo and PCA – Sunday 20th October 2024

marshal. If you are stopped for a red flag you will be allowed a re-run so just re-join the queue. A test maximum will be awarded to any competitor that fails to stop.

22) All other General Regulations of the Motorsport UK apply as written except that:-

All competitors must walk each course before the timed runs start for that course.
No practicing will be allowed.

GR M6.6 Markers may be less than 1m high.

GR H30.1.2(e) Entry fees will be refunded if notice is given in writing (letter, email or text) by 9:45 Am on the 20th of October.

23) The Knutsford and District Motor Club privacy policy, which includes our GDPR statement is available on the club website. In signing this entry form you are confirming your consent to us holding and using your personal data in connection with this event. Also, that you told the person whose details you have provided to us as an emergency contact for use in an emergency that their information is held by us.

24) General

a. Paddock; You will be directed to the paddock area. Please park as directed. A venue diagram will be available with the official instructions.

b. Scrutineering; Scrutineering will open at 8:15 (same time as signing on). The scrutineer will be in a specified location (venue overview diagram – supplied with official instructions). Once you have unpacked, please make your way to scrutineering with all relevant vehicle documentation (SR10).

c. Walking Tests; Please wait until the marshals have set up the tests before walking the tests. Do not forget your own diagrams.

d. Test Procedure; Proceed to the first test and queue as directed. Please stay with your car. After you have completed your run please re-join the queue for your next run. Once you have completed your runs, please return to the paddock and park up

e. Incident; Should you have an incident on a test requiring help please stay in the car, if safe to do so, until the marshal approaches you. The driver must indicate to the marshal that they are OK by signalling with a “thumbs up” at the front windscreen. The competitor can exit the vehicle and stand at a suitable distance. The marshals are responsible for moving a stranded vehicle off the test

f. Double Drives; If you are going to be double driving at the event, **please make sure to let us know which car/who with on the entry list.** This is so we can organise the colour groups in such a way that the event runs smoothly to maximise running time of the event.

g. Test Open / Closed; Please don't walk on the test once the competition has started until advised by the Clerk of the Course that it is safe to do so.

h. Competitor pack; each competitor will receive a pack once scrutineered and signed on. The competitor pack will include; Diagrams for tests, 2 x numbers, your first timecard.
